Defendants.

Case 05-12-004  
(Filed December 5, 2005)

**ADMINISTRATIVE LAW JUDGE'S RULING  
GRANTING MOTIONS FILED BY THE PARTIES**

Chevron Products Company (Chevron) and Equilon Enterprises LLC, doing business as Shell Oil Products US, and Shell Trading (US) Company (the Shell Parties) have filed a number of procedural motions while the Commission is considering the Shell Parties' motion to dismiss and Chevron's motion for summary adjudication. This ruling grants three of those motions.

Chevron's motion dated April 14, 2006, to vacate the procedural schedule is granted. Dates for service of testimony and the evidentiary hearing are canceled and will be reestablished, if necessary, after the Commission rules on a pending motion to dismiss and a pending motion for summary adjudication.

The Shell Parties' motion dated April 5, 2006, requesting official notice of 15 decisional and other court documents from prior state cases and federal

proceedings related to the pipeline at issue in this proceeding is granted. The documents are submitted in support of the motion to dismiss.

Chevron's request dated April 20, 2006, for official notice of four decisional and other court documents from prior state proceedings related to the pipeline at issue in this proceeding is granted. The documents are submitted in support of Chevron's opposition to the motion to dismiss.

These motions by the parties are unopposed.
